

classic

With coffee mugs raised on high,
the entire café toasted
the barista
for her artistry in the realm of classic concoctions.

What could be better than one perfect flavor with which to indulge a customer's taste? The answer is simple: More than 70 Classic infusions to satisfy every customer's hot, cold or blended curiosity.

Da Vinci Gourmet offers the most extensive line of flavors in the industry. Each flavor is blended to perfection, so that every drink you add them to can be blended just the same. Start with our Classic flavors but don't forget All Natural and Sugar Free. Match your customer's particular taste with the perfect shot, drizzle or splash of pure flavor.

The Basics

- Sweetened with pure cane sugar
- More flavoring in every bottle
- Variety, variety, variety
- Select flavors available in plastic bottles
- Point-of-sale and merchandising materials available
