Fortified Nutrition

**Hormel HealthLabs**

**H**ormel HealthLabs is proud to present Magic Cup™, a great name for a great product. Hormel HealthLabs recognizes that sometimes you have to be creative to meet the calorie needs of your nutritionally at risk residents.

Magic Cup™ is a 4 oz. frozen cup that offers 290 calories and 9 grams of protein per serving. It is available in five flavors so everyone has a favorite. As an extra benefit, the Magic Cup™ can be eaten frozen as an ice cream or, after it thaws, a pudding – perfect for the texture modified diets.

Magic Cup™ is a great alternative to frozen liquid supplements while providing the calorie and protein levels expected in a weight loss intervention. In addition, Magic Cup™ is a dignified dessert to any meal, allowing staff to provide an invisible nutrition intervention.
