Companions® Plastic Carryout Bags

Introducing Companions® Everything in its place.

Whether your establishment is purely take-out or eat-in dining, you always have the need for reliable, sturdy carryout bags. Companions® Carryout Bags have an upscale look while retaining essential quality characteristics that perform – consistently.

Companions® Carryout Bags are available in two sizes for your convenience and greater utility. With the increasing demand for carryout, stocking Companions® Carryout Bags is an economical solution.

Convenient

- Large mouth opening for easy loading.
- Bottom gusset allows for "squaring out" to carry most foodservice containers.
- Our 23" size will easily hold the large Companions® Foam Hinged Lid Containers.

Safe & Sanitary

- Leakproof to reduce spillage.
- Greaseproof to eliminate mess in transport.

Economical

- Available in 500-count case pack for cash and carry applications or when under the counter storage space is unavailable.
- Companions® unique identity is preprinted on the bag creating an upscale design.

The Companions® brand of foodservice products offers a growing assortment of value-added, quality disposables that has a distinctive personality. You can rely upon the Companions® brand for all of your disposable needs. With Companions®, everything is in its place!
