## BREADING & BATTER MIXES

CRISP & CRUNCHY OR LIGHTLY TEXTURED, KRUSTEAZ BREADERS & BATTERS ARE YOUR SHORTCUT TO PROFITS.

### TEMPURA BATTER

An Oriental style batter mix that is perfect for seafood and vegetables. Its crisp, light crust and delicate seasonings compliment the flavors of the food.

### FISH & CHIP STYLE BATTER

Perfect for traditional fish & chips, this batter is lightly salted for added flavor. It has excellent adhesion and fries to a crisp, golden brown crust.

### FRI-EAZ BREADER

A moderately seasoned breader made from bread flour. Fried foods have a homemade appearance and remain moist due to its high absorption rate. The crust is a golden brown color. Use with chicken, seafood or vegetables.

### SEAFOOD BATTER

An unseasoned batter formulated to produce a thick crisp crust with minimum fat absorption. The subtle corn flavor enhances the taste of fish and seafood. Try using it as a dry breading over batter for added crispness.

### BAKE & FRY

A seasoned all purpose coater that can be used for either baking or frying. Its carefully selected seasonings and golden brown crust enhance the taste and appearance of foods. Ideal for chicken, meat and seafood.

### WESTERN STYLE CHICKEN BREADER

A moderately seasoned breader with a crisp crust that holds well under heat lamps and in warming cabinets. It is suitable for both pressure frying and deep frying. Use with chicken for a rich reddish brown color.
