

real good food!

Homemade Taste. Satisfied Customers.

For over 25 years, Mann's Taste Traditions has been producing quality foods for the foodservice and retail/deli markets. At Mann's Taste Traditions, our mission is to keep your customers satisfied. Our chefs are constantly researching new trends, improving great recipes, finding just the right ingredients to make our soups, sides and Mexican specialties stand out from the crowd.

Mann's Taste Traditions is committed to your success, one satisfied customer at a time.

real good food!

Highest Quality Ingredients Deliver Homemade Taste

Fresh USDA Choice and Select Beef

- All beef is hand trimmed, cut, diced, and ground by staff butchers daily
- All beef is lean - 85/15
- All beef is fresh, never frozen

Fresh Herbs

- Fresh herbs are used to deliver homemade taste

Committed to Healthy Products

- We use quality, meat first bases
- We never use MSG or added autolyzed yeast
- We continually review and improve our recipes to lower sodium

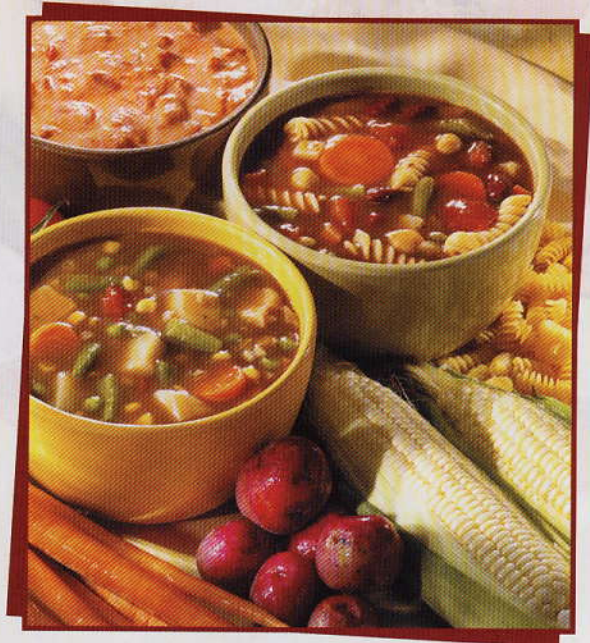

Consistent Quality Every Time

Carefully Crafted

- Products are made from scratch daily
- Soups and sides are kettle cooked in small batches
- Every batch is monitored by our corporate chef

State-of-the-Art Manufacturing Processes

- HACCP Compliant
- 2-Part Fill Process – Soups and Sides
 - Solids are portioned into each bag, yielding consistent solid / liquid ratio
 - Integrity of solids is maintained - no pumping, less breakdown
- 'Constantometer' is used to ensure viscosity in creamy soups and sides
- 'Rapid Chill Process' minimizes opportunity for bacteria growth
 - Brings products from 170 to under 40°F in under 4 hours

Convenience

Heat and Serve

- No need to add water or milk to full strength soups and sides
- All Mexican specialties are fully cooked
- Delivers consistent quality and flavor

Smart Packaging

- Soups are packed 2/8 lb. bags, reducing storage requirements
- 'Flow Thru Case' delivers rapid thawing for operator
- Multiple preparation methods provide flexibility
- Enchiladas are individually wrapped for easy handling
- Mac n' Cheese available in single serve, microwavable packs

12 Month Frozen Shelf Life

- Products are designed to maintain quality over a full year
