

Tork Intuition® Dispensing System

Tork Intuition

Hygienic, state-of-the-art towel dispensing ideal for high-traffic, image washrooms

- Patented hand-sensing system ensures patrons touch only the towel they use
- Adjustable sheet length minimizes waste and controls consumption
- Upgraded internal features allow for easier access and adjustment
- Extended battery life using fewer batteries

Tork Intuition®

Tork Intuition Ensures Hygiene, Reduces Waste and Saves Time and Cost

Stylish Exterior

- Upscale look enhances washroom décor
- Sleek design features complement Tork dispenser line

Upgraded Interior

- Repositioned internal controls allow for easier access and adjustment from the side

Upgraded Functionality

- Sensor Mode allows patron-activated dispensing
- Hanging Mode provides ready-for-use hanging towel ideal for high-traffic washrooms

Improved Battery Life

- Uses only three batteries – the fewest in the industry
- More than two-year battery lifespan, based on average annual use of 34,000 towels

Ultimate Adjustability

- Adjustable sheet lengths, from 8 to 24 inches
- Dispensing time delay from less than a second to over four seconds
- Built-in finger slot and easy-to-use manual feed button for quick paper loading

Installation Versatility

- Direct mounting to wall or within a recessed compartment
- Numerous backplate mounting slots fitting virtually any pattern

ADA Compliance*

- Placement so dispenser protrudes less than 4 inches from wall, due to recessed wall-mount capability
- ADA compliant in regards to pull force required to access towel

*The Americans with Disabilities Act (ADA) prohibits discrimination in a number of ways on the basis of disability. The ADA also establishes design criteria to ensure public facilities are wheelchair-accessible. The recessed wall-mount capability of the Tork Intuition allows for compliance with ADA towel-dispenser requirements.

“The quality of towel is so much better than what we were using, it’s incredible. The old paper towels didn’t pick up anything. They would just spread the water around. The Tork towels really pick up the water and moisture.”

Bobby Ochse, Facilities Supervisor
Bayer Healthcare

Tork Intuition® On the Inside

Recessed Wall-Mount Capability

Recessed wall mount capability allows for ADA compliance.

Durable Cabinet

High-impact plastic is durable enough to withstand the most rigorous use – and is simple to clean.

Loading Instructions

Conveniently located on the dispenser interior, loading instructions are easy-to-understand and always accessible.

Business Card Holder

Supplier contact information for refills or questions is conveniently displayed.

Stub Roll Feature

The stub roll feature allows the entire roll to be used.

Conformance to HACCP Guidelines

In sensor mode, towels are fully enclosed, leaving no paper tail exposed to germs. Because the dispenser has no cranks or levers, patrons touch only their towel, thus minimizing cross-contamination.

Smaller Footprint

Less installation space is required than for the original Tork Intuition and competitive models, allowing for more installation options.

Upscale Design

Curved lines and window viewing are representative of the classic Tork styling.

Versatile Installation

Numerous backplate mounting slots fit most any pattern.

Bubble Level Indicator

Built-in level provides instant feedback to ensure dispenser is mounted squarely on the wall.

Controlled Towel Use

Washroom operators determine how much towel is dispensed, from approximately 8 inches to 24 inches (or 20 to 61 centimeters) and use the built-in adjustment tool. Adjustable sensor time delay helps minimize overconsumption.

Long Battery Life

Batteries are within easy reach for simple loading – and will last over two years (based on standard usage). Low-battery light indicates when a battery needs to be replaced.

Patented Sensor

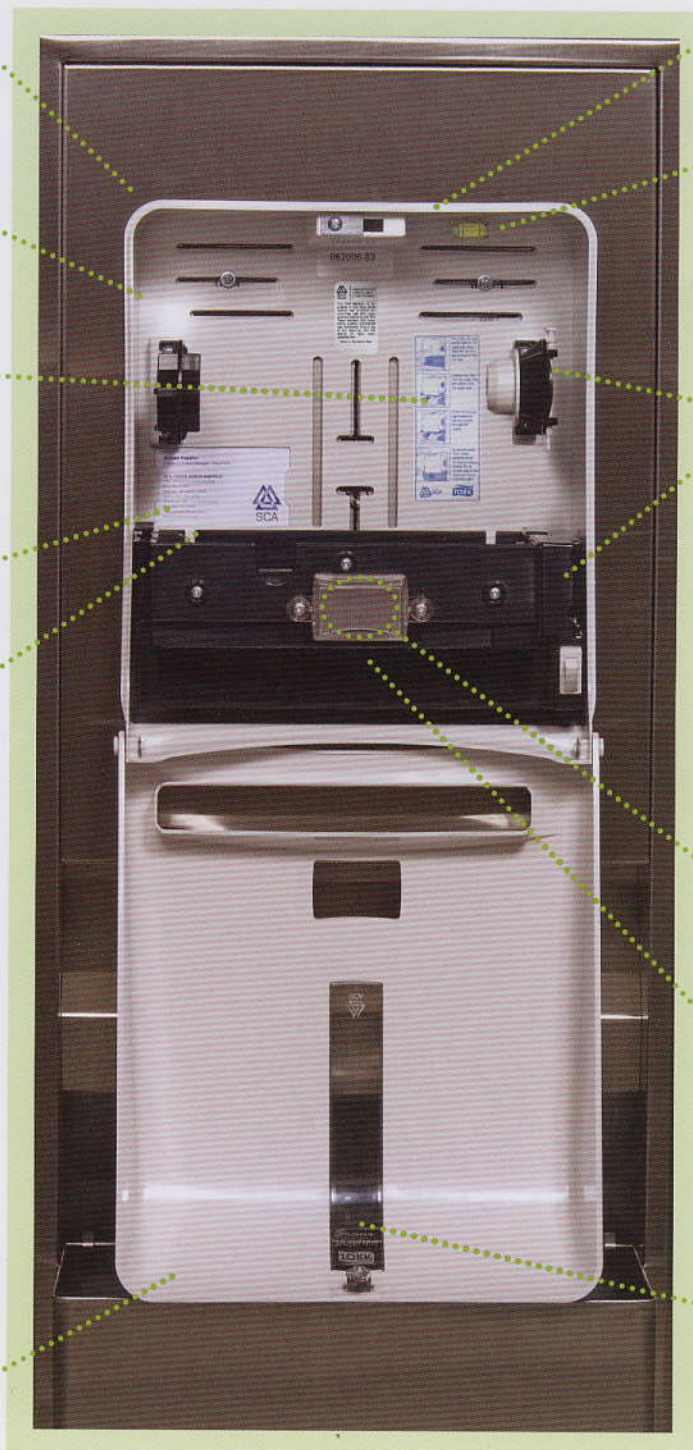

Patented state-of-the-art sensor detects the presence of a patron's hand.

Reliability

Non-corrosive stainless-steel cutting blades and rollers offer dependability. Dispenser contains no wooden components that could swell or warp.

Reduced Maintenance Time

Easy-to-load, high-capacity rolls conserve maintenance time. See-through window tells washroom operators when it is time to refill.

High-Quality Roll Towels Give You a Choice!

Tork Intuition® offers you
three levels of quality towels:

- **Plus:** Ideal for Class-A office buildings and upscale dining facilities, this premium quick-absorbing, thicker paper towel provides improved softness and strength – and feels like cloth.
- **Standard:** This absorbent white paper towel is appropriate for everyday use.
- **Basic:** This traditional, natural paper towel is another option for everyday use.

Select the roll towel that best meets your facility's needs.

Tork Intuition delivers adjustable lengths of paper toweling when its sensor detects the presence of a patron's hand.

“Since installing Tork dispensers, we’ve averaged a 38% decrease in paper towel usage.”

-Bob Hurd,
Custodial Superintendent,
McCarran International Airport,
Las Vegas, NV

Tork Intuition

Tork Matic

Use the Same Towel for Both Systems

Tork Intuition and Tork Matic dispensing systems use the same type of paper toweling rolls.

Touch-Free & Worry-Free

Tork Intuition® Gives You – and Your Patrons – Peace-of-Mind

With its innovative hand-sensing system, Tork Intuition represents a savvy dispensing solution for foodservice venues, healthcare facilities and other environments where hygiene is of utmost importance. Patrons touch only the towel they use, virtually eliminating cross-contamination.

Further, Tork Intuition saves time, money and space. Towel lengths are adjustable, allowing you to control consumption and decrease the frequency of refills. It not only reduces supply waste but operates on long-lasting battery power. Equipped with various backplate mounting slots, Tork Intuition can be installed conveniently to a washroom wall or recessed compartment.

Looking to enhance your washroom's appearance while lowering paper waste and maintenance costs?

*Tork Intuition is the
obvious choice!*
