# NEW Hearty Soup Design

## Containers & Lids

### Soup's On

Get it while it's hot...save it for later.

Capture the heat, the flavor, and the aroma under the lid of Sweetheart's Flexstyle containers.

This attractive new design will add flavor and value to your carryout offering.

The convenient combo pack offers a variety of sizes because not only does the consumer's taste for soup vary, so does the size of their appetite.
