# INTRODUCING THE FREEZERFRIGE POTATOES THAT CAN SOLVE YOUR COLD STORAGE CRUNCH.

Now you can give your customers the delicious potatoes they want without compromising the cold storage space you need. Simplot Classic FREEZERFRIGE potatoes can be stored in your freezer or fridge, giving you maximum flexibility.

## **STORE AND COOK 'EM STRAIGHT FROM THE FREEZER OR FRIDGE.**

FREEZERFRIGE potatoes are ready to go, right from the freezer. Best of all, they can be stored under refrigeration for up to 4 days, once completely thawed. You'll wonder what you ever did without them!

## **THE SAME GREAT, ALL-NATURAL POTATO FLAVOR.**

Made from only premium Russet potatoes, they offer real, down-home taste and scratch-made appeal without sulfites or other chemicals. Available in cubes, shreds, homestyle cuts and slices. You'll find them perfect for any daypart.

## **REDUCE YOUR COSTS AND WASTE.**

FREEZERFRIGE potatoes are always a convenient alternative to raw potatoes. Easy and quick to prepare, they minimize your labor costs while eliminating waste for maximum profitability.

## SERVING TIPS:

- Grill them up as a golden-delicious side for any breakfast, lunch or dinner entrée.
- Drop the cubes into chowders and soups – no slicing, no dicing and less cooking time.
- Mix the shreds into your favorite casseroles for delicious, homemade flavor.
- Bake the slices into au gratin recipes for homemade taste without the hassle.
- Deep fry and season the slices as hot, zesty appetizer chips.

## SHIPPING & STORAGE:

- Consolidate your deliveries: Have FREEZERFRIGE potatoes shipped with your other frozen Simplot Classic products – vegetables, fruits, potatoes and guacamole.
- Or have them shipped with your daily delivery of fresh produce and milk.
- If there's room in the freezer, store them there until you're ready, and cook them from frozen.
- Or store them under refrigeration and prepare them in less time than frozen.
