**Bak-klene**  
**Tryson Gold**  
**Waffle Off**  
**Puricit**  
**Bake-Sheen**

# Leading The Way For Better

**For Cooking and Grilling:**  
*Uniform Release Every Time...  
From Every Surface.*

## **Original Vegalene®**

Our unique blend of canola, sunflower and soybean oils makes Vegalene the most trusted pan coating in the industry. This exclusive formula uses heat resistant lecithin to provide easy release and clean-up of all foods from utensils and cooking surfaces. Foods don't stick and fall apart, providing more servable portions. This patented formula is not diluted by water or alcohol and does not include inorganic compounds.

## **Vegalene Golden Canola Mist®**

Your grilled, baked and sautéed foods will slide off the grill or out of the pan with this unique canola oil product. Using a special canola oil that is not diluted with unnecessary additives, Golden Canola Mist is pure and natural. As one of the lowest in saturated fats, it's perfect for all those heart healthy recipes.

## **Tryson Gold®**

Lightly flavored with butter this product is a must as a topping oil. Its browning ability is unsurpassed for such high temperature preparations as hash browns. Try it for all of your blackened entrees as well. Made with coconut oil, Tryson Gold performs with 350°-450° grilling without the risk of gumming.

## **Vegalene Waffle-Off®**

Your waffles can be golden brown and fluffy in minutes without any sticking. Waffle-Off is specially formulated with mineral oil to prevent griddles from getting gummy. This is a real time saver and makes clean-up a snap while extending the life of your equipment.

**For Baking:**  
*Superior Results  
Fresh Out of the Oven*

## **Bak-klene® All Purpose Pan Coating**

Flexibility is the key to this non-stick bakery spray. Bak-klene All Purpose gives bakers the release they demand. The unique blend of wheat starch and pure vegetable oil is as effective for berry muffins and high ratio formulas as it is for breads and rolls. With Bak-klene All Purpose Pan Coating, muffins rise higher, overflow doesn't stick, and baked goods achieve an eye appealing golden brown color.

## **Bak-klene® Bread Pan Coating**

Specially formulated for use on bread pans and screens, this homogenized blend of vegetable and mineral oils provides clean, easy, uniform release while reducing gummy build-up. Ideally suited for fresh, par-baked or frozen doughs, Bak-klene Bread Pan Coating will give better yields and rich golden crusts.

## **Bake-Sheen®**

Tempt your customers with the finishing sheen of egg wash without the risk of bacterial contamination. Packed in the Par-Way Pouch, with its

exclusive spray delivery system and in a convenient 18 oz. trigger sprayer bottle, Bake-Sheen is shelf stable and ready to use—no mixing required! This is the clean, quick and simple way to put a display quality shine on all of your breads, pies and pastries.

# Cooking, Grilling And Baking.

## For Seasoning: *A Delicious Difference for Your Menu*

### Buttery Delite®

Here's all the flavor of butter without the hassle of melting and spreading it. Buttery Delight eliminates the waste common place with brush on liquid margarine. Use this healthy alternative just the way you would use butter, on grilled sandwiches, toast, breadsticks, rolls, steamed vegetables— anything that's on your menu. Spray it before or after cooking.

### Garlic Mist®

Nothing gives you a better, easier garlic bread than Garlic Mist sprayed on your split loaves and seasoned to your special recipe. Top your breadsticks, croutons, pasta, vegetables, and bagel chips with Garlic Mist and you'll quickly add zest without labor intensive preparation, extra calories or high costs. A couple of quick sprays gives you a flavorful alternative.

### Olive Mist®

Here's the full, fruity flavor of heart healthy, extra virgin olive oil right at your fingertips. Gone are the days of olive oil flavor deterioration. Our product keeps the flavor preserved and shelf stable. Just work it into pizza crust or spray it on pasta, breads or salads and Olive Mist will deliver the fresh distinctive flavor of extra virgin olive oil without adding excessive oil or calories.

## For A Fresh Scent: *A Fresh Citrus Odor Eliminator*

### PuriCit®

The lingering odors of grease, fish and even cigarette smoke can be eliminated instantly with PuriCit—leaving only a clean citrus scent. Made from a blend of citrus oils and essences, it is the most effective odor deactivator found in nature. Its non-toxic elements makes it safe for kitchens, restaurants, hospitals, hotels— anywhere odors occur.

## For Volume Users: *Economy Sizes To Fit All Needs*

Bag 'n Box

1/2-Gal. Jug

Gallon Jug

Trigger Spray Bottle

The Pouch

Par-Way Tryson is committed to meeting your every need. We make larger volume packs to help reduce your cost per ounce. Half gallon and gallon jugs are used to refill our trigger sprayer bottles. The Bag 'n Box is designed to provide savings in storage space as well as cost. If sanitation demands require a completely sealed container, consider The Pouch with its patented delivery system. Of course, all of our economy packs can be filled with any Par-Way Tryson product under given volume requirements. Ask your sales representative for details.
