#### SMART SOLUTIONS for the work place

Thank you for choosing the TORK® SMART SOLUTIONS Program. Whether you're striving to achieve a better image, performance, workplace hygiene or cost savings, you've chosen a winning solution with SCA's unique dispensers and TORK refill products.

#### We make it simple, too

To enjoy the unique benefits of SCA dispensing systems, all we ask is that you use only genuine TORK branded products through the supplied dispensers as long as you choose to use the dispensers in your facility.

**Agreement:** By signing this Agreement below, you are requesting that the TORK SMART SOLUTIONS distributor named below ("Distributor") loan to you for your use, the TORK SMART SOLUTIONS dispensers listed below (the "Dispensers"), subject to the terms and conditions hereof. You agree that as long as any Dispenser is located at any of your facilities, you will purchase only TORK® branded products ("SCA TORK Products") for use with the Dispensers.

If you discontinue the use of SCA TORK Products in the Dispensers for any reason at any time, you must promptly return the Dispensers in good condition and repair to the Distributor who provided them. All costs incurred in removing the Dispensers and restoring your property to its original condition will be your responsibility. You may be subject to a penalty if you cease to use the Dispensers or SCA TORK Products during the \_\_\_\_\_ year/s following the installation of the Dispensers.

Subject to the terms and conditions hereof, SCA North America, Tissue Division ("SCA") will guarantee the performance of the Dispensers for the life of the Dispensers. If there is a defect, SCA will repair or replace the Dispenser provided that the Dispensers were properly installed, have been utilized as directed at all times, and have at all times been supplied with SCA Products. The warranty does not apply to problems attributable to vandalism or to misuse of the Dispensers.
