A Century of Unmatched Quality, Variety and Service

For more than a century, the Wuethrich family has been producing the finest butter products. Our passion for and commitment to superior quality and service are the hallmarks of our company and inspire all that we do.

At West Point Dairy, you can always be assured of consistent quality, a diverse product line and exceptional customer service. With conveniently located manufacturing plants, we're able to meet your foodservice or private label needs nationwide.

We will continue to innovate in order to ensure our customers superior products and services and to maintain our high level of customer loyalty.
