Mann's Veggie Power Blend<sup>™</sup> is a colorful variety of julienne vegetables creating a party on your plate. The blend consists of golden beets, broccoli stalks, cauliflower hearts, brussels sprouts, carrots, kale and radicchio – seven superfoods – all in one bag – one blend. The blend of veggies offers an unprecedented convenience for operators, who would otherwise need to purchase a very large quantity of different raw products AND apply significant labor hours to clean, prep and process. It's an extremely versatile product that can be utilized raw, pickled or cooked with the opportunity to be included in a wide variety of menu applications such as appetizers, salads, sandwiches, and entrees.
