LYONS

Lyons responds to all your thickened beverage needs for patients with dysphagia. Conveniently packed in 8 oz and 32 oz cartons with a reclosable twist cap, Thickened Dairy Drink provides your residents the proper hydration and nutrition they require. Our creamy, smooth consistency ensures a safe swallow. No mixing is required, reducing the need for additional labor - just chill and serve. Available in both nectar and honey consistency.

Convenient

- Convenient packaging - Recloseable 32 oz aseptic bulk container or single serve 8 oz carton
- Shelf Stable Cartons - No refrigeration necessary until prior to serving
- Consistent - Same smooth consistency every time
- Color coded - Easy to determine nectar and honey consistencies

Quality Nutrition and Great Taste

- Clean taste - Thickened 2% milk with no starch aftertaste
- Nutritious - Same nutritional benefit as an 8 oz glass of 2% reduced fat milk
- Not too sweet - Tastes more like regular milk to improve consumption and hydration status
