LYONS

Instant Food Thickener

Whether you prefer to make your thickened beverages from scratch or serve ready-to-serve thickened juices, Lyons is your solution for thickened beverages. ReadyCare Instant Food Thickener makes it easy for you to provide thickened beverages and pureed foods to your patients with dysphagia. Simply add our specially formulated thickener to hot or cold foods or liquids and, within seconds, the proper consistency for safe swallowing is achieved.

Convenient

- One person can pre-thicken bulk pureed foods or beverages
- Thaw stable for advance preparation of pureed foods
- A variety of packets, cans, or case packs for individual or bulk preparation

Safe

- Provides proper food consistency to facilitate a safe swallow
- Can help maintain or improve patient hydration
- Doesn't bind fluid and is easy to digest
